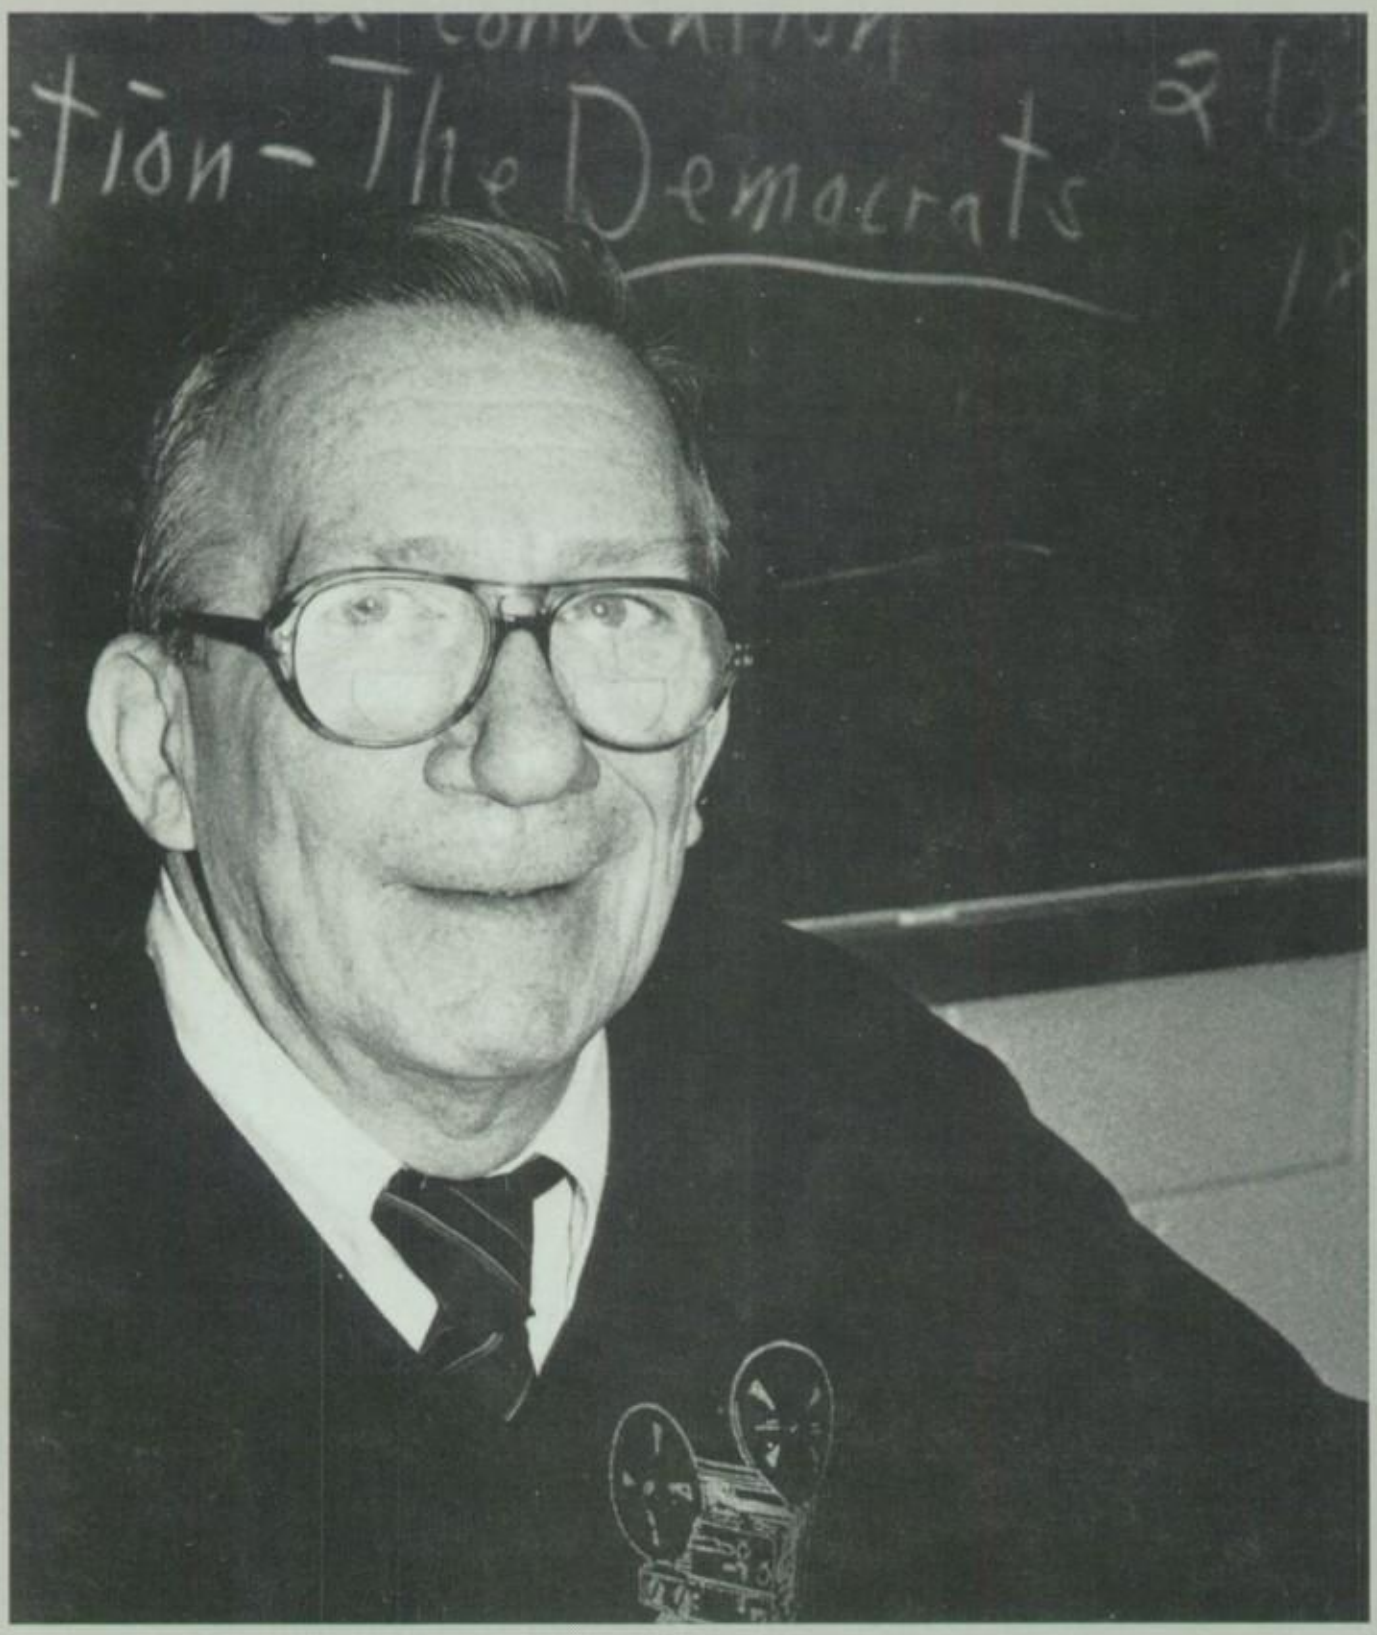
DEDICATION



The members of the senior class of '88 at Overbrook Regional High School would like to take this opportunity to thank Mr. Hoch for all the hard work, time and effort he has given to us and the school. He has been teaching for thirty-two years with this, his twenty-ninth, at Overbrook. Mr. Hoch has been Senior Class advisor for twenty-two years, and he does his job well. He plans to retire when his youngest son graduates from college in two years, and upon retiring, he will spend his time relaxing at the shore. We will greatly miss "The Baron" as we leave Overbrook, but as he always says, "That's how the pickle squirts."

ADMINISTRATION

Mr. Harmelin, our principal of three years, actively attends school functions. It is not uncommon to find him at a football game, or at a Christmas concert, because he budgets his time to fit in everything. He has been an asset in dealing with even the simplest problems of the school, and we, the students, are extremely lucky to have him!

SHAWNDA,

I had a dream that one day I would give birth to a little girl and I would name her Shawnda Bey. I had a dream that one day she would grow up and possess the lady-like qualities, character and self esteem that would make me proud to be her mother. I had a dream that one day through the years of us teaching and learning from one another that we would become the best of friends.

These dreams were just waiting to come true along with independence which is beckoning just around the corner.

Thank you Shawnda for all the JOY and BEAUTY you have brought to my life. May you always see life not just with your eyes, but with your heart; and may we always remain the best of friends.

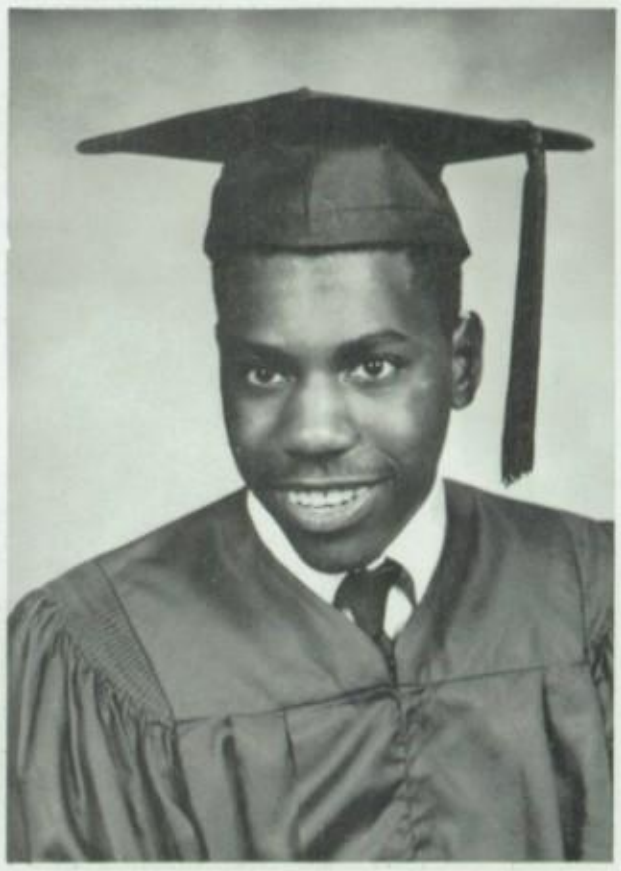
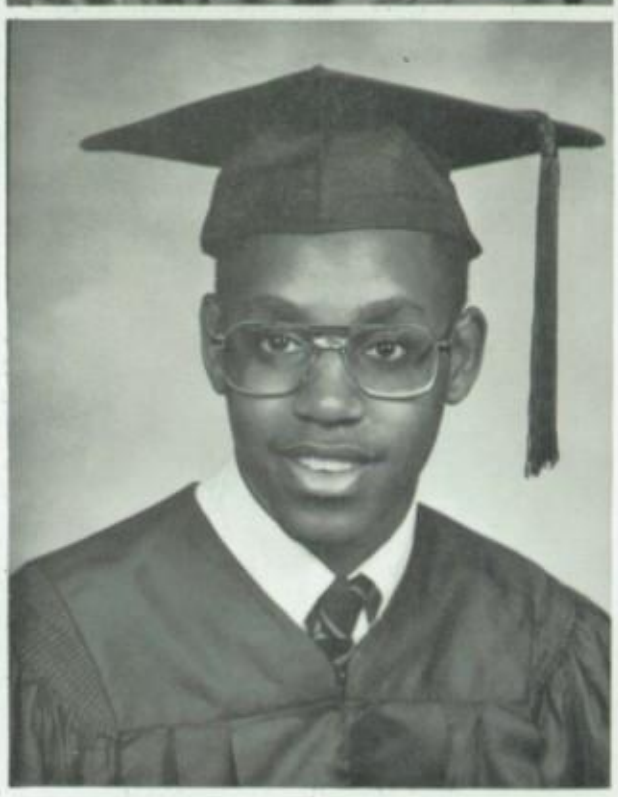
OUR DEAREST TRENT,

11:22 a.m. Sunday, May 3, 1970 was one of the happiest days of our lives. We were blessed with you, our firstborn. The years have passed so quickly. We've shared smiles and tears, happy times and sad times, yet our love is the same as it was on that very first day. Stay close to your family as you continue on in life. Persevere on the narrow road, always keeping your eyes on the prize. May you be an honor to Jehovah God and a delight to all who come to know you.

Congratulations to Trent Demetrius Goodall **All Our Love, Mom and Dad**

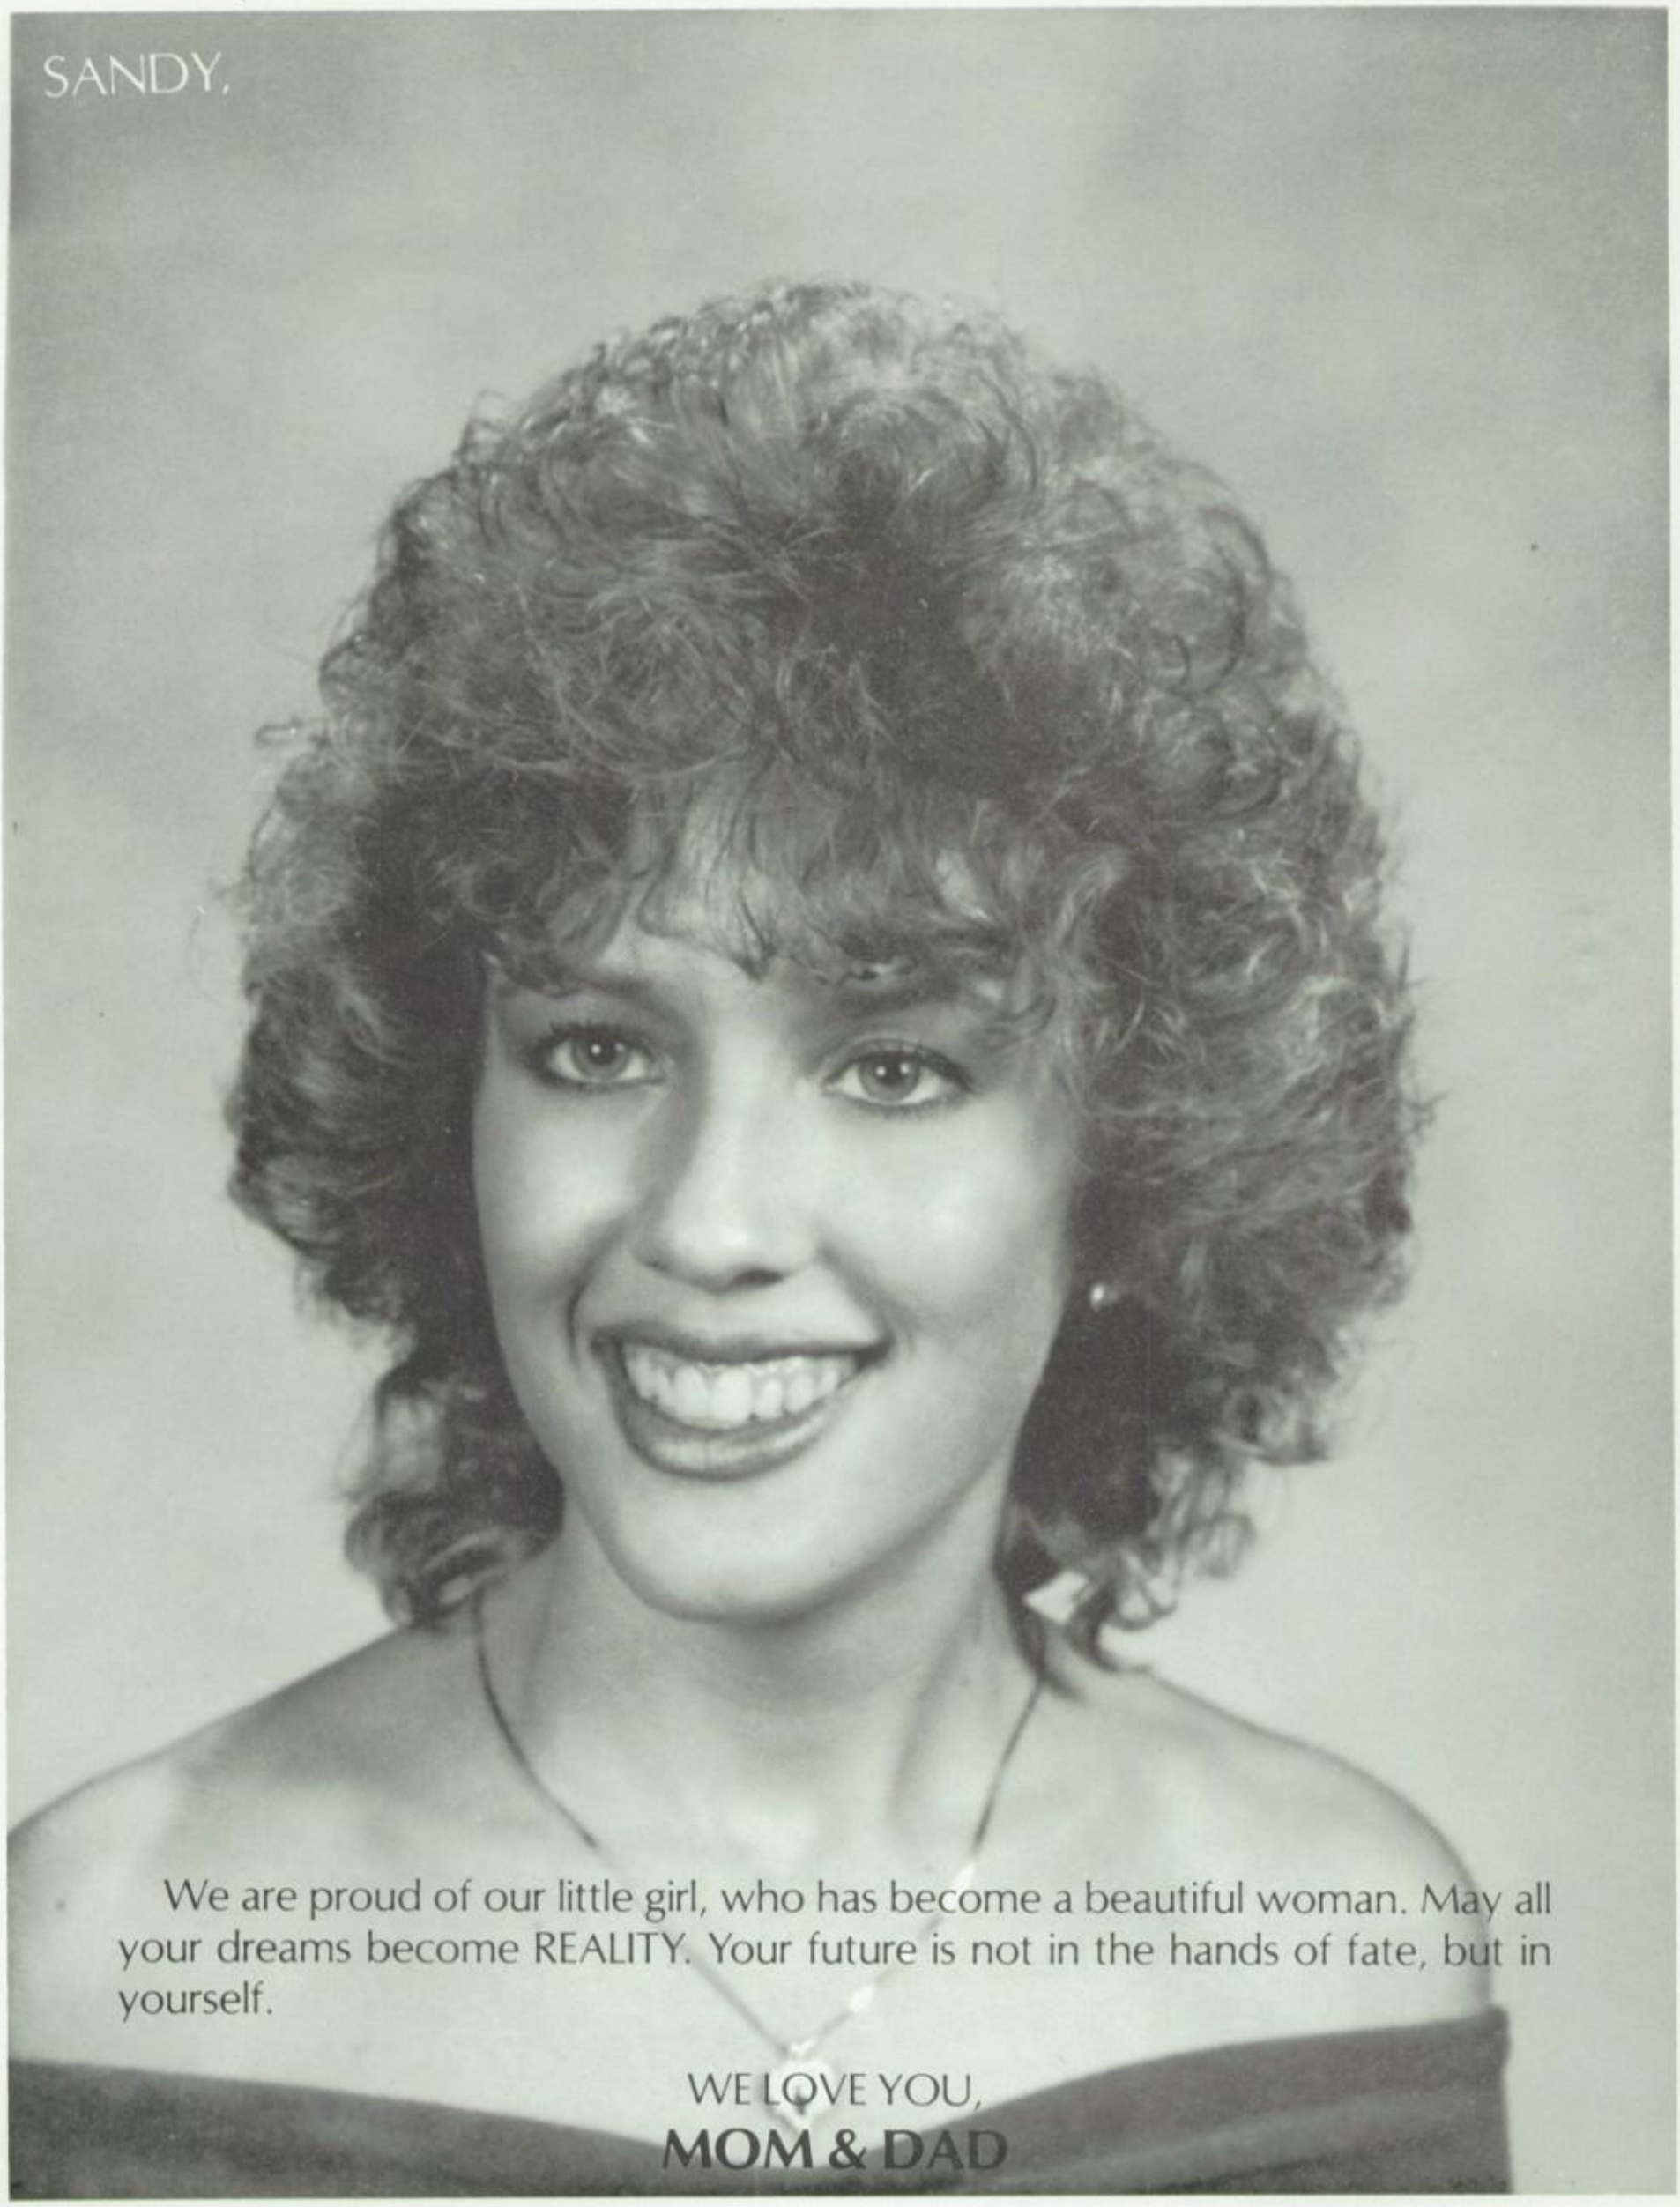




OUR DEAREST CHUCK,

10:38 p.m. Sunday, December 5, 1971 was another joyous day. We were blessed with you, our second son. We thought on the scripture at Psalms 127:3 "Sons are an inheritance from Jehovah." The years have passed along quickly. Here you are already graduating from high school. We've shared joys and sorrows along the way, but the love was always there. Stay close to your family as you continue on in life. Persevere on the narrow road which leads to life everlasting. You will always find true happiness there.

Congratulations to Charles Gavin Goodall **All Our Love, Mom and Dad**



SANDY,
We are proud of our little girl, who has become a beautiful woman. May all your dreams become REALITY. Your future is not in the hands of fate, but in yourself.

ARTS & CRAFTS II

COLOPHON

The 1988 L'Agenda of Overbrook Regional Senior High School was published by G. Earl Nichols Associates, Inc. of Pennsauken, N.J. All printing was done by the photo offset method with a press run of 475 copies containing 240 pages.

The paper stock used in 80lb West Vaco Gloss Enamel Dull Finish. Endsheet stock is 65lb West Vaco Aspen #125 printed in black. Cover stock is a white Kivar printed in 3 colors using the Pantone Matching System, blue PMS #293, orange PMS #151 and black.

The cover design is an original idea by Shelly Mackey with the art and mechanicals being prepared by our publisher's professional artist Mr. Dave Evans.

Four hundred and sixty copies of a 48 page preview booklet using our endsheet design as the cover and GBC bound were distributed to students in April, prior to the book's publication in August.

Approximately 2300 black and white and 800 color frames were exposed for the final photo selection in the 1988 L'Agenda. Color reproductions are from color prints. Individual portraits were taken by G. Earl Nichols Associates, Inc., our official school photographer. Activity, group, sports, faculty and candid photography was done by both student and professional photographers. Our professional representatives were Ms. Sue Reehm, Mr. Paul Kowal and Mr. Bob Weyman. Our Student photographers were Mike Young, Pam Boone, Altrika Williams, Shelly Mackey, and Tara Ford.

The basic type face in the book is Optima. Body and story copy for the most part are 10/12 pt. Optima with captions, identification and cutlines in 8/10 pt Optima. Accent faces used are Optima Bold, Optima Italic, and Bold Italic. Headings are set in a variety of sizes to fit the layout.

All photo selection, copy, and layouts were done by the editorial staff. A variety of layouts were created with the support of a column style pattern using screens of black, rule lines, and a ruled border motif. All screens and rules were done in plant.

Eight pages of four color process were used along with one form of spot color, Tangerine D-4.

Senior pages were created and compiled by Shelly Mackey. Other layouts in the areas of sports, clubs and activities were compiled by: Kim Heber, Pam Haines, Tina Smith, Kadri Linask, Kendall Henley, Joyce Humes, Ron Welker, Tara Ford, Jessica Saunter, and Shelly Mackey. Financial support was obtained through the selling of ads and patrons. Those who donated time in this area were: Joe Brad, Ron Welker, Scott Fioretti, Tracey Rogers, Karen Miller, Kadri Linask, Chris Yakaski, Nikki Pace, Jessica Saunter, Tara Ford, and Jackie Castor. Typing was performed by Maria Burton, Camille Bruner, Tina Tighe, Eydie Murphy, Shannon Lowe, and Tracey Rogers.

Tremendous assistance, support, guidance, and above all friendship was provided by our advisor Mrs. Margie Potts.

The L'Agenda staff would also like to thank all teachers and secretaries who helped us smooth out the flaws and work through problems. Their understanding is sincerely appreciated.
